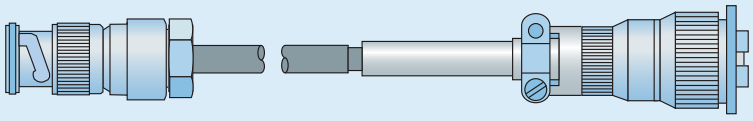
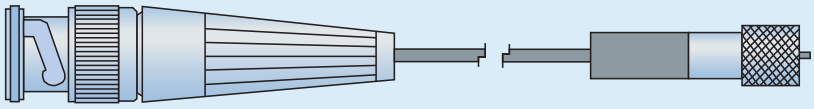
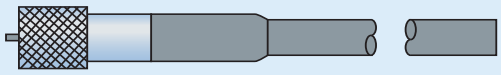
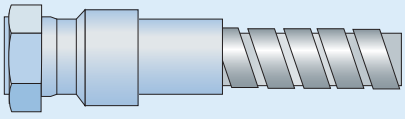
SKF Cable assemblies传感器电缆组件

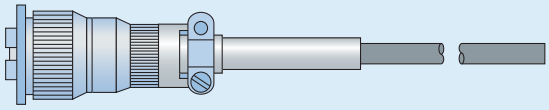
Miscellaneous cable assemblies 杂项：传感器信号传输延长线组件、铠装电缆

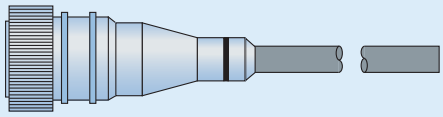
Model number	Description	Compatible accelerometers
		


CMSS 30150000-16	BNC to sensor with two-pin MIL-C 5015 connector, coaxial connector cable, 4,88 m *(16 ft.)*	• **All sensors with two-pin MIL-C 5015 connectors (CMSS 2100, CMSS 2200, CMSS 793, CMSS 797, etc.)**
		


CMSS 30765400-10	BNC to Microdot 10-32 connector, coaxial connector cable, 3,05 m *(10 ft.)*	• **CMSS 726** • **CMSS 732**
CMSS R1-2-J3-25	BNC to Microdot 10-32 connector, high temperature interconnect cable, 7,62 m *(25 ft.)*	
		


CMSS R1-J93-16	Coaxial, high temperature fluorine based polymer cable, Microdot 10-32 connector to blunt cut, 4,88 m *(16 ft.)*	• **CMSS 726** • **CMSS 732**
CMSS R1-J93-32	Coaxial, high temperature fluorine based polymer cable, Microdot 10-32 connector to blunt cut, 9,75 m *(32 ft.)*	
		


CMSS 4850-015	Two pin, hermetically sealed connector with armored cable and trimmed wire, 4,57 m *(15 ft.)*	• **CMSS 85-7** • **CMSS 85-9**
CMSS 4850-050	Two pin, hermetically sealed connector with armored cable and trimmed wire, 15,24 m *(50 ft.)*	
	Industrial cable assembly for special multi-parameter sensor, cables with PC06 connector	
		


CMSS R19-J9T2PS-16	Shielded cable with PC06 connector, 4,88 m *(16 ft.)*	
CMSS R19-J9T2PS-32	Shielded cable with PC06 connector, 9,75 m *(32 ft.)*	
CMSS R19-J9T2PS-64	Shielded cable with PC06 connector, 19,51 m *(64 ft.)*	
	Industrial cable assembly for special multi-parameter sensor, cables with splash-proof connector	• **CMSS 786M**
		


CMSS R19SL-J9T2PS-16	Shielded cable with splash-proof connector, 4,88 m *(16 ft.)*	
CMSS R19SL-J9T2PS-32	Shielded cable with splash-proof connector, 9,75 m *(32 ft.)*	
CMSS R19SL-J9T2PS-64	Shielded cable with splash-proof connector, 19,51 m *(64 ft.)*

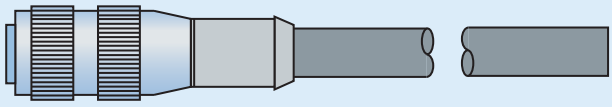
Model number	Description	Compatible accelerometers
		


CMSS RM12-ST-J10-10	Cable connector assembly with M12 connector, IP 68, two-wire cable, isolated, single shield, grey, 3,05 m *(10 ft.)*	• CMSS 2100-M12
CMSS RM12-ST-J10-16	Cable connector assembly with M12 connector, IP 68, two-wire cable, isolated, single shield, grey, 4,88 m *(16 ft.)*	
CMSS RM12-ST-J10-32	Cable connector assembly with M12 connector, IP 68, two-wire cable, isolated, single shield, grey, 9,75 m *(32 ft.)*	
CMSS RM12-ST-J10-64	Cable connector assembly with M12 connector, IP 68, two-wire cable, isolated, single shield, grey, 19,51 m *(64 ft.)*	

Connectors and toolkits 电缆工具包

For on-site cable fabrication 现场电缆制作组装

Model number	Description
	Connector packs for cables with a twist lock connector
		For CMSS 932 series
CMSS 932-68TL-1	Connector pack for CMSS 932 series cable, two pin, IP 68, twist lock, isolated and non-isolated, single and double shield, quantity one
CMSS 932-68TL-10	Connector pack for CMSS 932 series cable, two pin, IP 68, twist lock, isolated and non-isolated, single and double shield, quantity 10
CMSS 932-68TL-50	Connector pack for CMSS 932 series cable, two pin, IP 68, twist lock, isolated and non-isolated, single and double shield, quantity 50
	For CMSS 933 series
CMSS 933-68TL-1	Connector pack for CMSS 933 series cable, three pin, IP 68, twist lock, isolated and non-isolated, single shield, quantity one
CMSS 933-68TL-10	Connector pack for CMSS 933 series cable, three pin, IP 68, twist lock, isolated and non-isolated, single shield, quantity 10
CMSS 933-68TL-50	Connector pack for CMSS 933 series cable, three pin, IP 68, twist lock, isolated and non-isolated, single shield, quantity 50
	Connector packs for cables with a locking collar connector
		For CMSS 932 series
CMSS 932-68LC-1	Connector pack for CMSS 932 series cable, two pin, IP 68, locking collar, isolated and non-isolated, single and double shield, quantity one
CMSS 932-68LC-10	Connector pack for CMSS 932 series cable, two pin, IP 68, locking collar, isolated and non-isolated, single and double shield, quantity 10
CMSS 932-68LC-50	Connector pack for CMSS 932 series cable, two pin, IP 68, locking collar, isolated and non-isolated, single and double shield, quantity 50
	For CMSS 933 series
CMSS 933-68LC-1	Connector pack for CMSS 933 series cable, three pin, IP 68, locking collar, isolated and non-isolated, single shield, quantity one
CMSS 933-68LC-10	Connector pack for CMSS 933 series cable, three pin, IP 68, locking collar, isolated and non-isolated, single shield, quantity 10
CMSS 933-68LC-50	Connector pack for CMSS 933 series cable, three pin, IP 68, locking collar, isolated and non-isolated, single shield, quantity 50
